CONDOR_R Towing Cycle Loader:

The **CONDOR_R** Cycle Loader is a fully adjustable wheel locking towing system capable of accommodating front and rear wheel sizes from 14-22" / 80-220W. The patented locking mechanism effortlessly and securely supports your motorcycle in an upright position on the ground or on a trailer or flat bed. The **CONDOR®** works on pavement, concrete, dirt, sand, gravel and all forms of transport platforms such as Rollbacks, trailers and pick-up trucks. The Cycle loader also serves as the perfect device for securing and transporting any and all motorcycles on the market. Due to its simplicity and ease of use, the **CONDOR®** Cycle loader requires only one person to operate. All 4 rolling wheels come with individual brakes to allow the unit to be loaded without rolling or sliding. In most cases, the motorcycle needs only to be tied down with two straps, one on either side with attachments towards the middle or the rear. You will be amazed at how secure and safe your ride will be once tied down in our **CONDOR®** Cycle Loader. The **CONDOR_R** Cycle loader can accommodate bikes weighing up to 3000 lbs. With a 2.0SF, and can be disassembled easily to fit in any rollback toolbox. Unit breaks down to 35" x 8" x 20" for easy storage and weighs only 55+ lbs. The versatile **CONDOR®** is also ideal for towing, motorcycle servicing, cleaning, displaying and storage. The **CONDOR_R** Cycle Loader sells for \$345 +S&H, Strap Kit \$54.95 +S&H. For more information or to order please GO TO WWW.CONDOR-LIFT.COM OR CALL 1-800-461-1344.
