Assembly Instructions: Remove all parts from shipping box. Check the parts below to make sure you have all the parts needed to assemble your **CONDOR® GD-3500** Garage Dolly Height Assist before beginning. In the unlikely event that you find a part damaged or missing, please call customer service @ #1-815-754-7418.

Component Photo	Item	Component Description	QTY
	A	GD-3500 Height Assist Bracket Main (GD-H-ASSIST-1-ASM)	2
	B	GD-3500 Height Assist Bracket 2 (GD-H-ASSIST-2)	2
	C	GD-3500 Height Assist Pin w/ Clips (GD-PIN3)	4
	D	Hardware Assortment [(4) 5/16"x1" Button Head Screws, (4) 5/16" Lock Washer, 3/16" Hex Key Tool]	Varies
	E	3/16" Hex Key	1

1. Determine the best placement of the Height Assist based on how your vehicle is positioned in the Dolly. There are multiple placement options for the Height Assist for each length setting of the Dolly.

2. Depending on the location chosen, the Height Assist should be assembled to fit on top of either (1) side extrusion or (2) side extrusions. Attach Main Bracket (A) to Bracket 2 (B) using the button head screws and lock washers provided (D). Tighten screws using the included Hex Key tool (E).

3. Secure Height Assist in place using the Pins **UNDERNEATH** the side extrusions. Secure pins using clips provided.

4. Once both sides are secured, this Height Assist can be used as a footrest to aid in the insertion and removal of a motorcycle in and out of the Garage Dolly.

CAUTION:

Always make sure that all fasteners are tight and all pins are in place prior to use. Understand the limitations of this product and do not exceed these limitations. Always make sure that the unit's cradle settings are optimum for the tire size of the motorcycle before use. Be sure to read and understand user instructions for the GD-3500 Garage Dolly Height Assist. If instructions are not clear, additional information is available at www.condor-lift.com or call (800) 461-1344. Technical Components Development & Design is not responsible for any damage incurred by exceeding this product's limitations in structure and/or functionality.

One Year Limited Warranty:

This GD-3500 Garage Dolly Height Assist product warranty extends to the original consumer purchaser of the product. All illustrations and specifications contained in this manual are based on the latest product information available at the time of printing. Technical Components Development & Design, Inc. reserves the right to make changes at any time, without notice, in color, material, equipment, options, specifications and models. Models may be shown with optimal equipment. Further information may be obtained by contacting Technical Components Development & Design, Inc. at (815) 754-7418.

Return Policy:

15 Day return policy applies. Merchandise may be returned within 15 days of purchase. Merchandise must be unused and in its original packaging. Customer must call Technical Components Development & Design, Inc. for a Return Authorization number. Return freight is at the responsibility and expense of the customers. Credit is given upon inspection of returned goods. A 15% re-stocking fee applies to all returned merchandise.

Warranty Duration:

This product is warranted to the original consumer purchase for a period of one (1) year from the original purchase date.

What is not covered:

Our warranty will not cover abnormal wear of parts, damage resulting from negligent use of misuse of the product, use contrary to operating instructions, or disassembly, repair or alteration by any person other than an authorized service station. We shall not be liable for any incidental or consequential damages for breach of by express or implied warranty on products.

How your state's law may apply:

Some states do not allow limitations on how long any implied warranty lasts or the exclusion or limitation or incidental or consequential damages. So the above limitations may not apply to you. This warranty gives you specific rights, and you may also have other rights, which may vary from state to state.

Thank you for purchasing the GD-3500 Garage Dolly Height Assist.
